The Prophet (SAWA) said, 'The best act of charity is carried out in the month of Ramadhan!'

Kanz al-Ummal, no. 14342

This Ramadhan was the first month for The Zahra Foundation operating in Canada and thanks to your support it was a HUGE success! Our team has been working tirelessly to support those in need around the globe, and your donations have made a huge impact. With our first ever Ramadhan Live Appeals on Ahulbayt TV, and campaigns started

by dedicated community members, we have been able to raise funds to impact thousands! We cannot thank Allah (swt) enough for His blessings and support for our work helping those in need and we cannot thank YOU enough for your support. None of this would have been possible without you.

**ON MAY 12, 2020 GUNMEN ATTACKED A MATERNITY
WARD IN A HOSPITAL IN KABUL, AFGHANISTAN KILLING
TWENTY-FOUR WOMEN, CHILDREN AND BABIES.**

**Following the devastating attack, through community support, a
campaign was established to support the victims of the attack and
their families.**

With your support we will be working with our partners locally and abroad to construct homes for three of the families impacted by the attack. These three families were the only families amongst the victims living in poverty prior to the attack.

None of this would be possible without your support and the support of our local community partner Noor of Muhammad.
