

Write to an Orphan

Scheme
Instructions

Salam Alaikum!

We are excited to have you join our Eid Al-Ghadir initiative, where we aim to connect children from around the globe to orphaned children in Najaf, Karbala, Yemen and Afghanistan, as well as other parts of the Middle East.

This document contains step-by-step instructions to participate and make a difference.

Step 1

Start by making a \$45 donation to sponsor an Eid gift for an orphan. Along with the payment, please fill out the provided entry form on our website.

Step 2

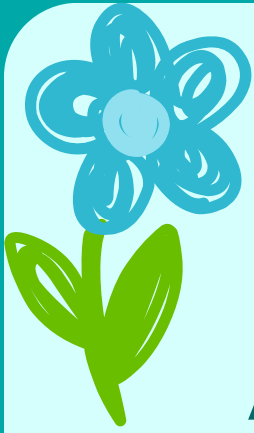

Once we receive your payment and entry form, our dedicated team will carefully match you with an orphan who is close to your age. Every effort will be made to create meaningful connections between participants and the orphans.

Step 3

After you receive your match, it's time to compose a heartfelt letter directly addressed to the orphan. Let your words convey kindness, encouragement, and friendship. Share your thoughts, experiences, and well wishes with sincerity and warmth.

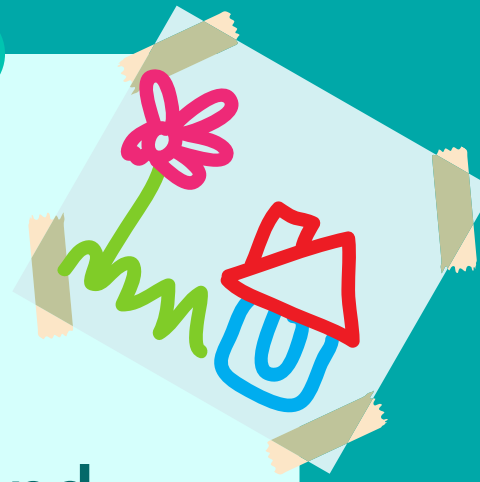

Step 4

Alongside your letter, create a captivating art piece that embodies the theme of Ghadeer.

Use your artistic talents to visually express the significance and spirit of this event. Whether it's a drawing, painting, or collage, let your creativity shine.

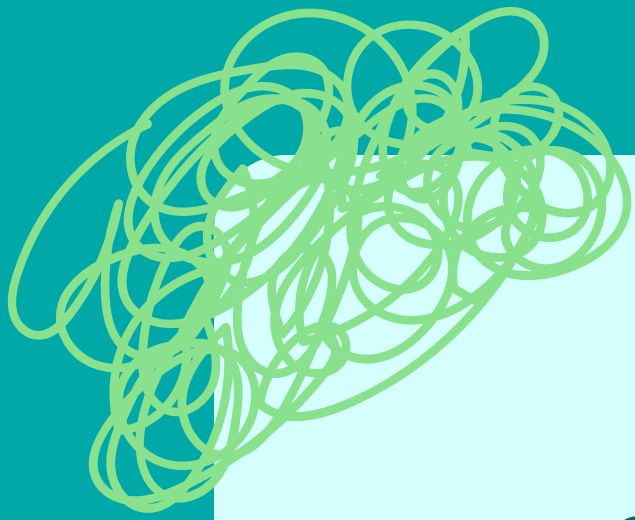

Step 5

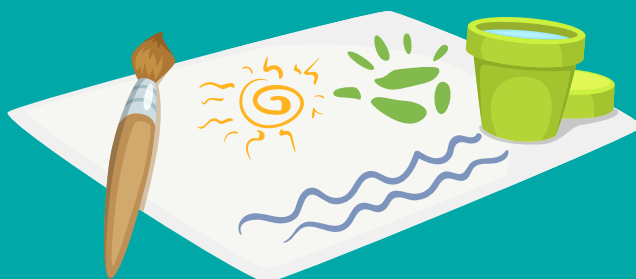

Once your letter is complete and your artwork is ready, compile them together. Write your letter directly in the body of an email and attach your artwork as a separate file. Ensure that the text of your letter is clear and easily readable. Submit your email with the letter and artwork to the provided email address (events@zahrafoundation.ca). Include your name and contact details in the email for identification purposes.

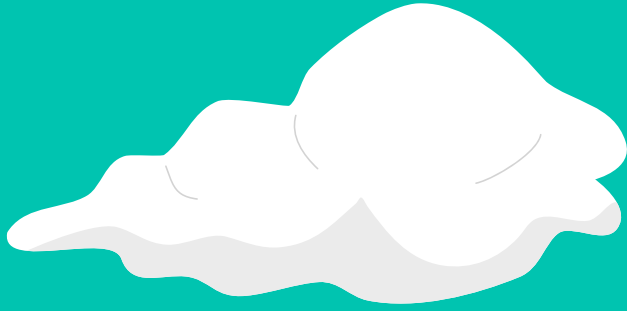

Step 6

Once you have submitted your letter and artwork, our team will ensure they reach the designated orphan you have been matched with. Your thoughtful and creative expressions will bring smiles, hope, and comfort to a deserving child's life.

Thank you!

Your heartfelt words and pictures will bring so much joy to the orphaned children!
